Beltone North America: Rob Boucher and David Molella

The new Head of Beltone Canada, Rob Boucher, joined the recently appointed President of Beltone North America, David Molella, for the Beltone National Meeting held last month in Phoenix, Arizona.

Boucher has been in the hearing industry for 15 years joining GN Group (Beltone's parent company) in 2017. He is well positioned to lead Beltone Canada with his in-depth understanding of the Canadian market and he previously served as the VP of Finance for Beltone U.S. from Aug 2017- Feb 2020.

Molella, a hearing industry veteran with over 17 years of experience, was named President of Beltone North America in October 2022 after successfully serving as GN Hearing Canada's Managing Director since 2019. During his time overseeing Canadian operations, Molella significantly grew GN's presence in Canada and led Beltone Canada's business to have one of its best years yet. Molella's strong leadership skills, solid talent management expertise, and unwavering commitment to hearing care professionals and those in the hearing loss community are

a testament to his new role.
