Letter from Alberto Behar On Behalf of the CSA Z94.2 Committee

Published May 5th, 2014

Alberto Behar, PEng

CSA (the Canadian Standard Association) will soon be releasing a new edition of the Z94.2 Hearing Protective Devices Standard. The draft document is now available for public review. If you wish to take a look at it and perhaps submit a comment or two, go to CSA's on-line standards review site: http://publicreview.csa.ca/ (enter "Z94.2" or "hearing" in the search box)."
